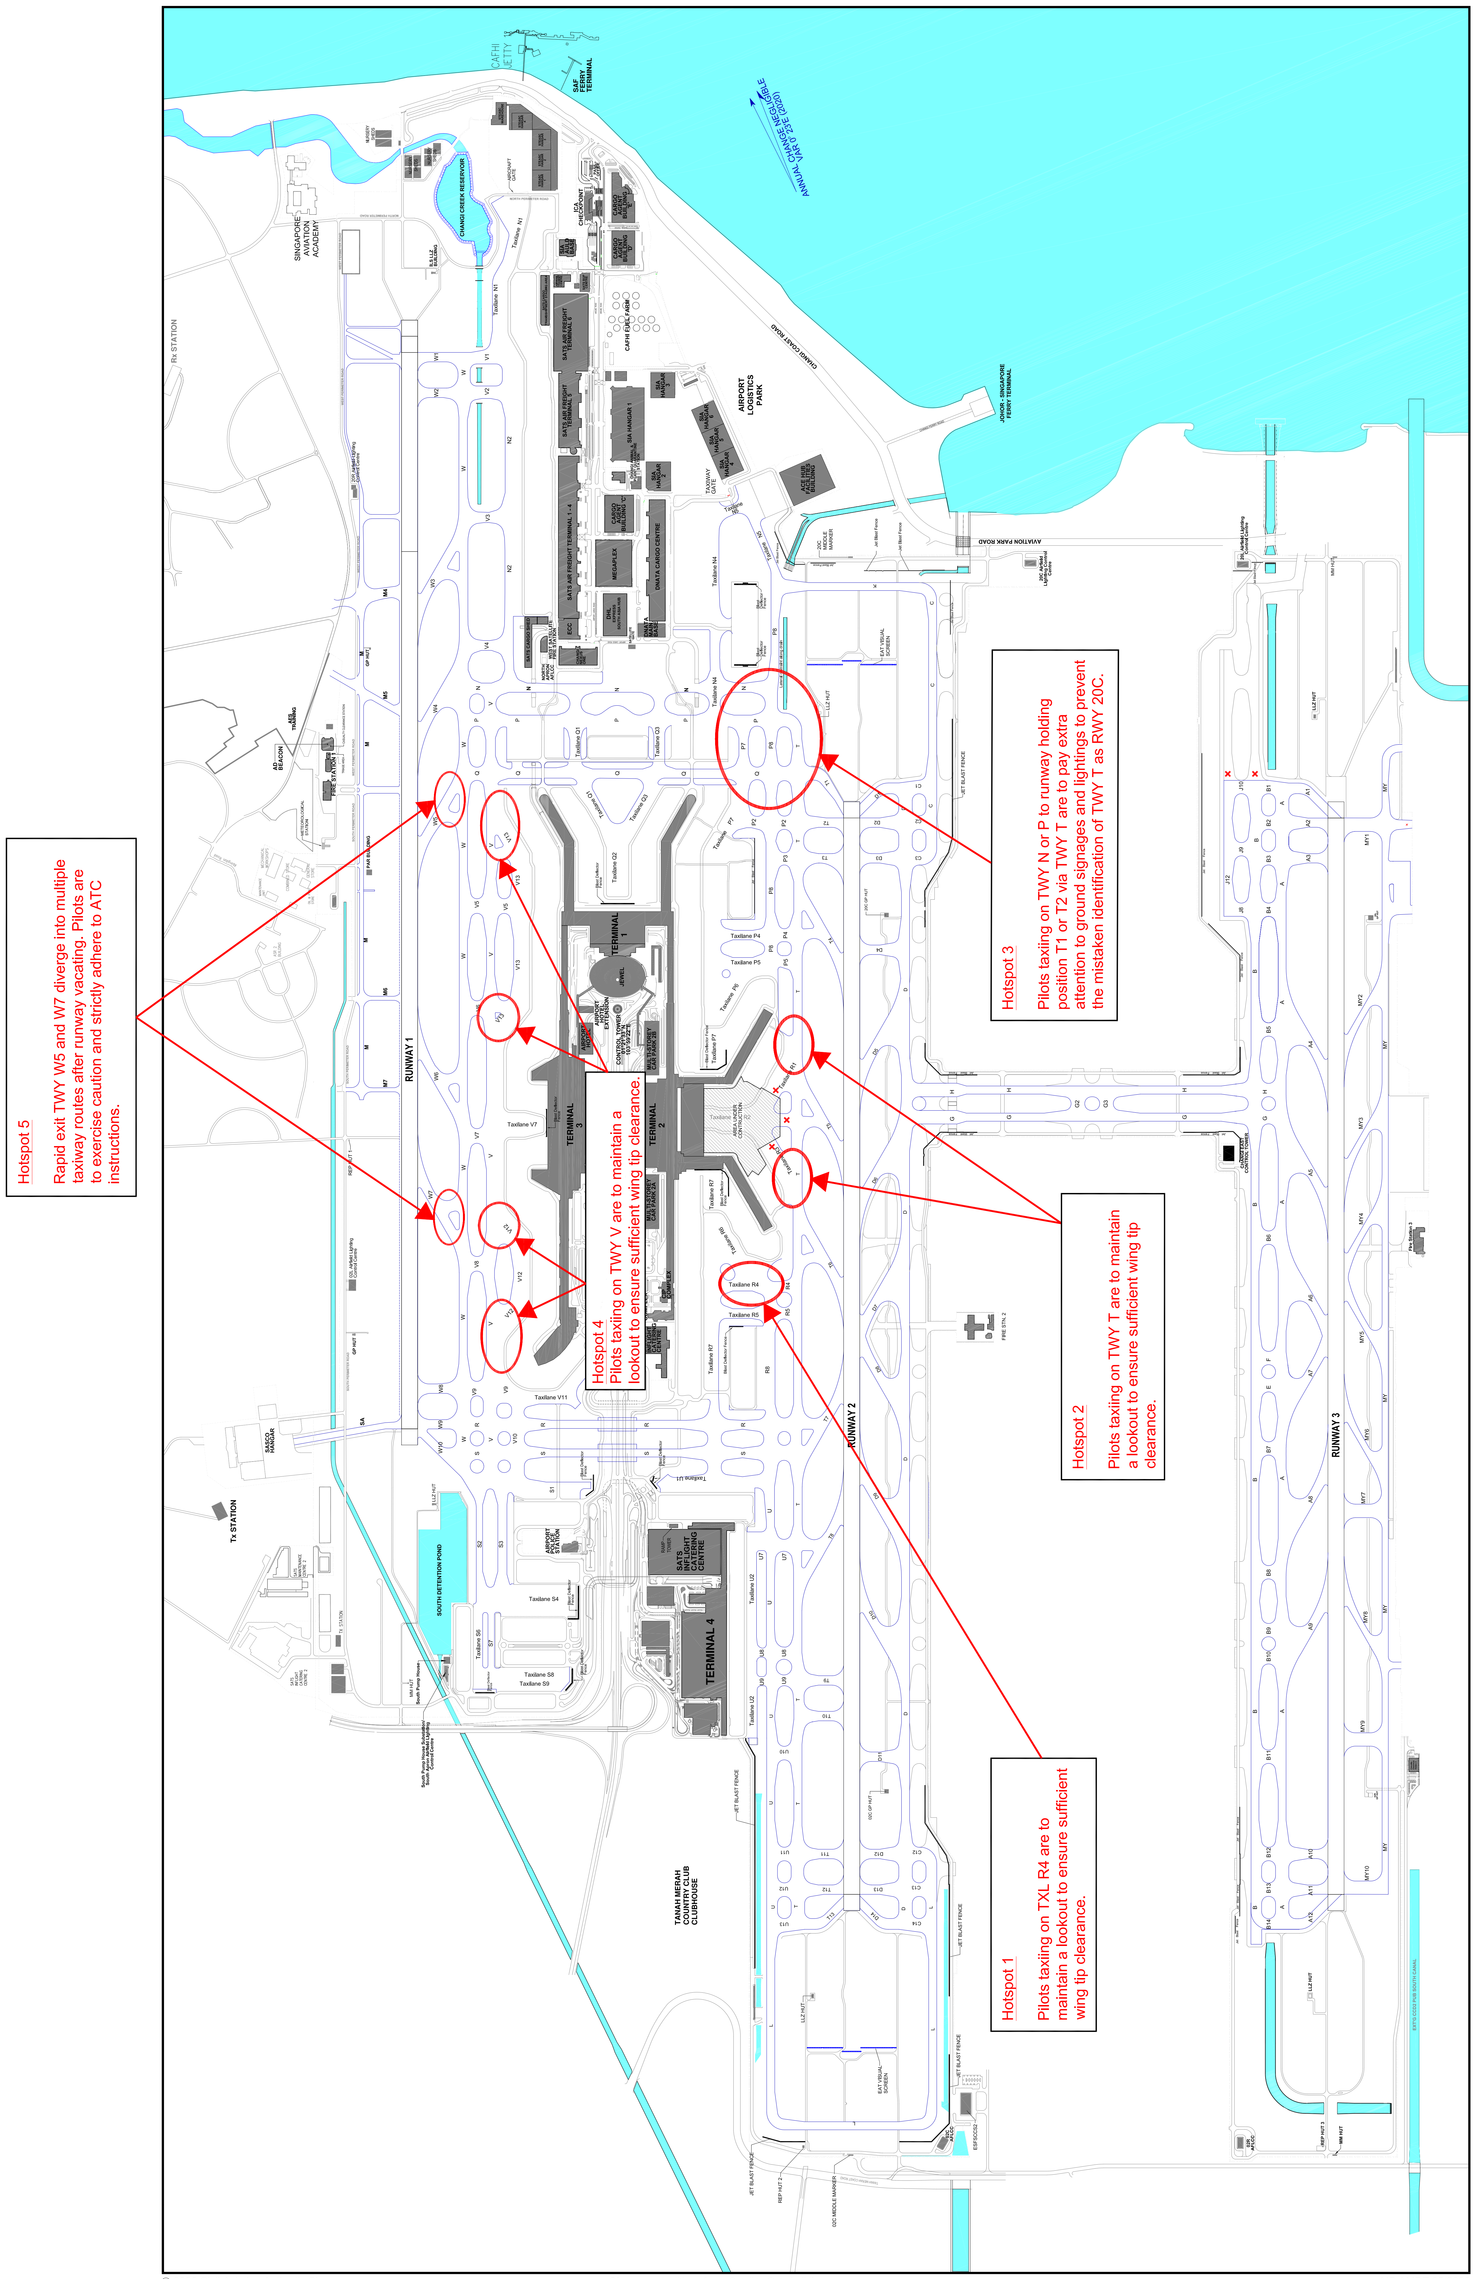
AERODROME HOTSPOTS



Hotspot 5
Rapid exit TWY W5 and W7 diverge into multiple taxiway routes after runway vacating. Pilots are to exercise caution and strictly adhere to ATC instructions.
Hotspot 3
Pilots taxiing on TWY N or P to runway holding position T1 or T2 via TWY T are to pay extra attention to ground signages and lightings to prevent the mistaken identification of TWY T as RWY 20C.
Hotspot 4
Pilots taxiing on TWY V are to maintain a lookout to ensure sufficient wing tip clearance.
Hotspot 2
Pilots taxiing on TWY T are to maintain a lookout to ensure sufficient wing tip clearance.
Hotspot 1
Pilots taxiing on TXL R4 are to maintain a lookout to ensure sufficient wing tip clearance.
